2019 LAWTE Biennial Conference Sponsors Needed

LAWTE’s “A Little Less Conversation, A Little More Action: Employing active learning strategies in Animal Welfare and Training” will be held in Memphis, TN on the doorsteps of Graceland, the home of Elvis Presley. The Guesthouse at Graceland will be our conference host site on June 24-26, 2019. Registration for the conference will open in February of 2019. Please visit www.LAWTE.org

The LAWTE Sponsorship Committee is looking for potential sponsors for the 2019 meeting. The benefit of being a sponsor is the recognition your organization will receive throughout the meeting. LAWTE recognizes the enormous contributions of vendors in training and educating the laboratory animal science community. Experts from product and service companies help to enhance training programs and provide useful information about the latest products.

What is LAWTE?

The Laboratory Animal Welfare and Training Exchange (LAWTE) is a global organization that is expanding animal welfare and enhancing public understanding through effective training and education of animal research professionals. LAWTE is an organization of people who train in and for the laboratory animal science field. By sharing ideas on methods and materials for training, our members can learn together how to best meet the training and qualification requirements of national regulations and guidelines. Since 1994, conferences have been held every two years for trainers to exchange information on their training programs in the U.S. and abroad. Conferences have been attended by institutional representatives from the U.S. and around the world.
